# Every Child Deserves Christmas

## Every Child Deserves to Feel Seen.

For families navigating financial instability, Christmas can bring difficult choices between everyday necessities and creating the Christmas memories every parent or grandparent wants for a child.

Through the generosity of businesses, churches, volunteers, and community partners, Mercy Table transforms a single day into an experience filled with **hospitality, compassion, and lasting memories.**

**Christmas isn't measured by what's under the tree; it's measured by the hope we place in a child's heart.**
